A golden opportunity for kids' health and academic success

GET INVOLVED AND HELP STUDENTS MAKE BETTER WELLNESS CHOICES

ATTENTION ALL:

STUDENTS, EDUCATORS, FAMILIES AND COMMUNITY VOLUNTEERS

The Marion County Board of Education recognizes that student wellness and proper nutrition are related to students' well-being, growth, development, and readiness to learn. The Board of Education is committed to providing a school environment that promotes and protects student wellness, proper nutrition, nutrition education, and regular physical activity as part of the total learning experience. In a healthy school environment, students will learn about and participate in positive dietary and lifestyle practices that can improve student achievement.
